History: In 1958 Hugh O’Brian had the pleasure of meeting Dr. Albert Schweitzer at his clinic in Africa. Hugh O’Brian stayed for nine days at his clinic where many of his patients suffered from malaria, leprosy and other diseases. At the end of his stay Schweitzer asked O’Brian what he was going to do as a result of his visit. Inspired to make a difference, Hugh O’Brian started his popular youth leadership seminars to inspire all students to become leaders like Dr. Albert Schweitzer.

Impact: HOBY has reached more than 300,000 students since 1958. Each year over 14,000 high school students benefit from HOBY leadership programs. Over 5,000 volunteers roll up their sleeves to donate their time to make these seminars a reality.
